	<p>PLEASE NOTE: IT IS ALMOST IMPOSSIBLE TO PICK UP YOUR CHILD ON TIME IF YOU ARE INSIDE THE PARADE BOUNDARIES. All parents must pick up their child at New City Hall, even if you are watching the parade. We should be back by 7:15 at the earliest and 7:30 at the latest. Please keep your phones handy in case we are running behind and we need to send out a Remind. I have attached the Parade Map so that you can see where you might want to watch from in order to get out and come pick up your child :) <u><i>If you are running behind, CALL JULIA LIGHT CELL. If you are not at Pier 1 by 7:30, please be aware of our late policy if the staff has to wait longer than a 15 minute window of pick up.</i></u> ALSO PLEASE NOTE: It is fastest traffic-wise to come into Downtown from the West to pickup for the parade. We recommend taking 7th or Lancaster from West to East to get to 100 Energy Way.</p>
